UTA Proposal

Ann Burnett is working with Jon Glenn to get a bus route that would carry students from the new 900 South 200 West Trax station to our campus at 844 South 200 East in the morning and return them to the Trax station in the afternoon.

UTA is in the process of restructuring all of its west side routes. Public hearings are taking place now (January), June and August. We would like to have a proposal in place and attend the hearings in June.

The PLA will survey parents about transportation needs and use in order to present the UTA actual numbers in the June hearing.

School Open Houses

There will be two houses for prospective students and parents on January 18 and February 8 at 5:00p.m. We are soliciting attendance from a few current parents to provide support.

There will be a "See the Campus in Action" open house on January 25 at 9:00 a.m. This is targeted to prospective students and will take the place of "shadowing".

8th Grade Leadership Day

January 12 the 8th grade will be at St. Paul's for a leadership-training day. The PLA will provide lunch.

Next year this event will be held in September.

8th Grade Graduation

A graduation committee is being established with representatives of 8th grade students and their parents and 7th grade students and their parents. The 7th grade parents and students will provide the graduation support so that the 8th grade parents and students can participate.

Communications

The January Newsletter is being typeset and will be distributed on the 17th.

The Electronic Bulletin Board is now available online. Access it by clicking the Parent Connections link and selecting "New Forum" from the Parent Connections page. We need to add content to this area.
