welcome table.

PLA Board for next year

Need to see how the VL's go and how the Villages were viewed. Need to sit down and talk about the board - no Activities chair next year let the VL's do this part. The communications and School support are really one group with the Newsletter to be separate. Need see if Celeste will do Sally Foster again, money towards a science camp.

Need to sit down and look at PLA board for next year.

Amy, Ann, Stacey Jo and Leita and John.
