

Items	Follow-up	Assignment
<p>Costumes and make up help for the Gala Stacey Jo has done a incredible job getting volunteers lined up for the different nights for the Gala. Amy asked for help with Friday nights pizza cast party. The PLA will be contacting Stacey Jo to make sure she knows we are available to help.</p>	<p>Contact Stacey Jo</p>	<p>Ann to call her.</p>
<p>How to find new PLA members for next year? Put information out to the families during registration April 18th. Included in the registration information will be job descriptions and a way to nominate yourself or someone else.</p>	<p>Put together job descriptions</p>	<p>PLA members</p>
<p>Rewarding our volunteers It was discussed that most volunteers do not really want to have a big fuss about their volunteers positions. It was decided to have the SBO's sign thank you note cards that have been made by the students. It was also discussed that volunteers that have been in a certain classroom throughout the year would also get a card from the classroom. The goal would be to have these out after the Gala but before mid May. Daphne made a strong point while discussing thank volunteers and keeping them active. After volunteer sheets are returned during registration a follow-up call will be placed to confirm and thank them for their interest. Example: "I see you have marked that you would be interested in helping with next years Gala, someone will be contacting you when the planning process begins, thank you."</p>	<p>Organize thank you note cards that were made by students and have the SBO's sign at some point in Amy's office. Follow up on volunteer lists for next year making sure someone knows that they will be contacted about what is needed and when.</p>	<p>Ann to organize Amy to help with the follow up. Next years volunteer list to be divided up and given to PLA members to contact and confirm.</p>
<p>Other Items April 19th and 26th will be the last VL meeting. It will focus on the review of the year. It was discussed to put together a survey on how the VL thought this new concept went and how to improve on the system next year. Maturation classes will begin after the Gala. 5/6 grades will have three separate classes March 19,26 & April 2nd, called "Growing Up Comes First". 7/8 grades will have three separate classes March 22,29 April 5 called "Be Smart, Be Safe, Be You". All classes will be taught by Planned Parenthood and will be held during class time. A review of this program will be presented to parents on March 22nd at 7:00pm at school.</p>	<p>Survey will be created for VL's for last year meeting concerning how the VL's program went this year. Letter sent to parents explaining maturation program.</p>	<p>PLA members create survey. Amy & Shellee to sent out maturation letters</p>
